#### **PUBLIC COMMENTS:**

### **BUSINESS AND DISCUSSION ITEMS:**

- 1. 2020 AUDIT REVIEW. Jacob Kujath and Jim Gordon from James Gordon & Associates CPA delivered the audit books to the Council. Jim gave the review stating the City had received an unmodified opinion which is the best the City can get from an auditor. City Attorney McNish asked what the auditors had done to ensure monies were accounted for. Jim said they had done extensive technical testing and checked the City's processes for reimbursements. In response to CM Beikman's question about carry-over Jim said if the City wanted more carry-over, they should inform the public why the City needed more carry-over, designate the extra monies to a specific purpose and inform the public of the need. Increasing the carry-over will also increase property tax.
- 2. 2021 ALLIANCE INSURANCE PREMIUM INCREASE. Jen Sedlacek from Alliance Insurance presented the 2021 insurance premium from EMC Insurance which renews April 1 for \$127,165.00. This is an overall increase of about \$3,100. The property values on a few of the City's properties increased by \$2,000,000.00 and the property in the Koester Block (not including the restaurant and the museum) changed to replacement value.
- 3. 2021 MHS PROM WALK APRIL 24. Ayden Price, Stuco President and Senior Class President addressed the Council requesting permission to close the 7<sup>th</sup> Street Corridor from Walnut to Broadway at 7:30 p.m. on Saturday, April 24 for the Prom Promenade and to close Broadway from 13<sup>th</sup> Street to 6<sup>th</sup> Street for the Prom Walk. The group would also like to use the speaker system. CM Throm moved to allow the street closing on April 24, CM Behrens seconded. Motion carried 5-0-1. CM Price abstained. CA St. John told Ayden to fill out forms from City Hall to use the speaker system. CC Holle asked if the students intended to use vehicles not approved for use on city streets. Special permission must be granted by the Council for use in a parade. Ayden will check with the students and bring a request to the Council detailing the vehicles if they are not street legal.
- **4. 11**<sup>TH</sup> **TERRACE ROAD GRANT.** P4G Executive Director Ellen Barber presented a request for the City to Co-Sponsor a KDOT Cost Share Program grant with Marshall County. The grant will be written by Barber with an 80% reimbursement from the State of Kansas and 20% match paid

by Marshall county. This road would be constructed in the right of way north of Subway to the proposed new jail site. CES is designing the road and utilities to meet City Code. Barber also referred to the Economic Development Park proposed by P4G which would be located on the east side of the road. The road and the proposed jail are located in the City limits, but the Economic Development Park is not. If 11<sup>th</sup> Terrace is completed the City would take over maintenance as described in the ULDC. CM Throm moved to co-sponsor the KDOT Cost Share Program grant for a road on 11<sup>th</sup> Terrace, CM Beikman seconded. Motion failed 0-6.

- **5. POOL WAGES.** CA St. John presented the pool wage scale for review as requested. The Council discussed wages and bonuses. CA St. John will bring information to the April 12 meeting showing the impact of raises and age regulations. It was also discussed if there are complaints about the pool, the pool manager should be contacted then City Hall. The pool manager for 2021 will be Crystal Leis and co-manager Noah Ackerman.
- **6. MASK MANDATE.** The City Ordinance 1896 which requires masks in the City expires April 1, 2021. Mayor Barnes asked City Health Officer Dr. John Ryan to give his opinion regarding the mask mandate. Dr. Ryan asked the City to keep the mandate in place for another 30 days. CM Hughes moved to extend the mask mandate until May 1, CM Behrens seconded. CM Price and CM Throm asked the mandate to be enforced. If a business or its employees are having difficulty with a patron, they should call the Police Department. Motion passed 4-2 with CM Beikman and CM Price voting no. CC Holle assigned Ordinance number 1897.
- 7. CHICKEN ORDINANCE DRAFT. An ordinance allowing chickens in City limits was introduced as requested by Council: AN ORDINANCE AMENDING CHAPTER II, ARTICLE 2, "ANIMAL CONTROL REGULATIONS" OF THE CITY OF MARYSVILLE, KANSAS. Several letters of concern and some of support were also presented. CM Throm moved to approve the ordinance allowing chickens in City limits, CM Behrens seconded. Motion failed 0-6. CM Beikman moved the Council should send a chicken ordinance allowing chickens in outer lying areas of the City that have larger lots to a committee for review. Motion died for lack of a second. The Council stated the City would give notice the chickens currently in the City limits should be removed in 5 business days.

### CITY ADMINISTRATOR:

- 1. CLASS OF 1998 FUNDRAISING. CA St. John distributed an email he received from Jeff Mayer. Mayer said he and some of his classmates from the class of 1998 were interested in fund raising for improvements to Dargatz Park. They would like to improve the 2 ball fields to allow a space to practice youth baseball and girls softball. The class would also consider raising funds for improvements to the basketball court and a shade shelter picnic area. They are requesting the City supply labor and equipment for the project. CM Behrens moved to accept the offer from the class of 1998, CM Schroller seconded. Motion carried unanimously.
- 2. THE AMERICAN RESCUE PLAN ACT. CA St. John reported on the American Rescue Plan Act passed by Congress. The Federal Government will give money to Cities, Counties and States to help with the coronavirus recovery. The money will be paid out half in 2021 and half in 2022 and could total between \$400,000 to \$600,000. The amount to be received has not been finalized yet by the Congress. At the present time the Congress recommends the money be used for Government Services (if a City had lost revenue), Investment in infrastructure, and Employee premiums.

### STANDING COMMITTEE REPORTS:

### **STREET:**

1. **EQUIPMENT OPERATION.** CM Price said he saw the new loader was being operated with the cab door open. The electronics and updated cab should not be exposed to dust, etc. The Council also discussed we are tobacco free, and no tobacco should be used in our equipment, vehicles or facilities.

### **WATER & WASTEWATER:**

### **PARKS & RECREATION:**

- 1. PARKS RESTROOMS. The restrooms in the parks will open in April.
- 2. BALLPARK REPAIRS. The plug-ins on the island in the Lakeview Concession stand need to be re-done so water cannot get in the electrical boxes. Also, the plug-ins should also be on separate circuits. The roll-up doors are on order. The City is getting pricing to have the foul ball nets installed at Lakeview. The City will pay to empty the dumpster at Lakeview this time because it was filled with expired and old equipment the City has accumulated. The new water heater installed at Feldhausen Field Concession stand had a leak and caused some damage. The braces on the outfield fence at Feldhausen Field need to be removed before the first High School baseball game.

### **CEMETERY & AIRPORT:**

### **POLICE & FIRE:**

1. **POLICE TRAINING VEHICLE.** The brown unmarked car parked in front of the Police Station is the vehicle our officers use to attend out of town trainings. The City traded some old police radios to Marshall County for the car.

### **ADMINISTRATION & FINANCE:**

### **APPOINTMENTS:**

**CITY ATTORNEY:** City Attorney McNish said he had started research on an intermodal storage container ordinance. CA McNish distrusted a copy of the draft of an ordinance amending the current City Code to allow intermodal containers. CA McNish also is researching the option of changing the ULDC instead of passing an ordinance. The Council will review the ordinance and make suggestions.

### **ROUND TABLE DISCUSSION:**

- 1. 307 BROADWAY. CM Beikman asked the status of the house at 307 Broadway. CC Holle told them Donna Alwin had removed everything she wanted, and the City had full possession. CA St. John said the City would rent equipment in the near future and start the demolition of both houses. CM Price said the City dump trucks were not ideal for hauling demolition material and they would need tarps unless the City wanted to pay more for dumping. CM Throm said he thought our employees needed to work on City projects. CA St. John said he understood the demolition of these two houses are not a priority now.
- **2. RAT STOP.** CM Price said he had a report of rats at 5<sup>th</sup>/Carolina the same place we issued a rat stop last year.

- **3. CODE ENFORCEMENT.** CM Throm asked if the City had hired a seasonal code enforcement officer. CC Holle said the City has not received any applications yet.
- **4. LANDFILL OPENING ON SATURDAY.** CM Price reported the Marshall County Landfill will be open the first Saturday of the month from 8 a.m. to 2 p.m. beginning April 3.

April 12th, 2021

City Administrator St. John, Mayor Barnes & Council Members,

Marysville Chamber & Main Street is pleased to once again run the Mother's Day Market in partnership with the City of Marysville and the City's Convention & Tourism committee.

The following is a list of things we would like to request from the City to help with the Mother's Day Market and Chicken Barbecue, May 8th-9th in Marysville's City Park.

- Please call Frankfort Sanitation to bring six portable toilets on Friday. Please note the increase from previous years. With the increase in visitors and vendors to our event, we need additional toilets for the weekend.
- The electrical outlets and breakers will need to be checked ahead of time and repaired as needed, please.
- Please place a "hold button for 5 seconds to flush" sign in the park bathrooms.
- Please barricade the entrances to the park with cones by 4 p.m. Friday, May 7th. These should be moveable, so vendors can be allowed to drive in and out as they set up.
- Please place a "no long-term parking" sign by the playground parking area on Thursday morning and "no long-term camping" signs in the park on Tuesday before the Market.
- Please ask the Marysville Police Department to check several times during the evenings of May 7th and 8th to make sure the barricades are up and no one is cruising through the park.
- We again request use of gators (donated by a local implement) and golf carts to be used by volunteer workers.
- Please place extra trash receptacles in the park and call Temps Disposal to arrange for dumpsters. Trash barrels need to be checked at the end of both Saturday and Sunday and dumped. Again with an increase in visitor traffic, we need additional barrels if possible (especially by each portable toilet) and another dumpster from Temps.
- We would like to increase the number of picnic tables in the park if possible, spread out to ensure social distancing.

## For the Sunday barbecue:

- This year's BBQ will be drive-thru or carry out only due to COVID-19. We ask the City to set up the tent at 7th & Elm on Thursday or Friday of that week (pending weather).
- RSVP and Gay Frazee's class at MHS will again prepare our potatoes. Please have someone pick up the potatoes from Lincoln Center and from Room 201 at MHS and take to the Wagon Wheel (this will be for storage until Sunday) to be put in the cooler until Sunday. Kate will let the City know when Gay Frazee and RSVP let us know they are ready.

Please contact Kate Tommer at (785) 562-3101 with questions. Thank you for all you do for this event!

Kate Tommer, Marysville Chamber & Main Street Director & the Mother's Day Market Committee

# April 12, 2021

City Administrator St. John, Mayor Barnes & Council Members,

We are once again gearing up for the annual Big Blue River Days June 4 -June 5, featuring the 30th Annual Autofest Car Show & 14th Annual Big Blue BBQ. In the past, the events were an enormous success, attracting thousands of people downtown Friday and Saturday.

As we gear up for our 2021 event, we again ask the City's help with a few things:

- For the BBQ, we ask to close the Railbed (7th St.) area from Broadway south to Walnut and Elm from 6th to 8th, including the Helvering parking lot & City Parking lot south of the Helvering Center, from Thursday at 5 pm to Sunday at noon.
- As in 2019, in exchange for use of the BBQ/Car Show tent for the Mother's Day Market (saving that event \$800), we ask the city crew to erect the white tent in the CES Group lot to the east of the Main Street/Tourism office.
- In 2019, the city was going to upgrade the electrical to provide more power for the bands and we are following up checking to see if any action was taken.

We are planning to again have bands at 7th & Broadway in front of the Pony Express Rider from approximately 6 pm to midnight both Friday & Saturday. We ask that the area in front be barricaded for dancing on Broadway.

- Friday evening will again include the Annual Poker Run and Friday Night Cruisin'! The area in front of the bands (mentioned above) will not be closed until after the Cruise Night is over.
- For Saturday's car show, we ask to again close Broadway from 10th to 4th streets, and half block side street closures for the show cars. We will ensure the Post Office is accessible during its hours of operation.
- We ask that the City again provide free city pool passes for car show and BBQ competitor families.
- Building on the success of the previous years we will host the Beer Mile on Friday evening. Organizers would like to host this event again this year located in the 7th Street Corridor.
- Saturday will again include events for kids on 8th St. between Broadway & Elm, including face painting, inflatables and snow cones.
- Saturday afternoon will again have announcements and music near the Pony Express statue. BBQ awards will be given inside the Helvering Center or outside depending on Covid protocol

- We are once again working on plans for a Cornhole Tournament on Saturday evening to keep visitors in downtown later into the evening. No additional closures will be required for this event, which will be held on Broadway in front of the Main Street office once the car show is over.
- We would like to ask the council for approval of the consumption of beer in the BBQ & Car Show corridors on Friday and Saturday again this year. We will have signage and require wristbands as in the past, and we will fill out all necessary paperwork for this request. We will be working with Bill Schwindamann on a storm shelter and Covid-19 guidelines
- We request permission to put a grain bin structure (same as last year) at 7th & Broadway on the wheel for ticket sales, beer sales and event information. Marysville Chamber & Main Street would like to ask for permission to sell beer again with the proper permits & insurance. We will be purchasing the beverages locally and will fill out all necessary paperwork for this request.

Overall, the 2021 Big Blue Barbeque Championship and Autofest Car Show should be a successful repeat of previous year's events. We appreciate your partnership on Marysville's biggest event weekend each year.

Please contact Kate Tommer at (785) 562-3101 or kate@marysvillecms.com with questions. Thank you for all you do for our events!

Respectfully,

Marysville Chamber Main Street, Big Blue BBQ & Autofest Car Club

# Memo

To: Marysville Governing Body

From: Austin St. John, City Administrator

CC:

In May of last year, the Governing Body approved payment of \$250 per month for Michelle Whitesell to do updating for the Convention and Tourism committee until they hired a new director, or to be reevaluated in November of 2020. Convention and Tourism are in the process of hiring a new director, but we never reevaluated the payment, and they stopped in November.

Michelle has been doing the worked asked of her, without payment. I am asking that the Governing Body approve back pay and pay until a new director is hired.

# **City Administrator's Report**

4/8/2021

# 4/12/2021 Council Meeting

# 1. ADA Ramps/Curb and Gutter

We received two bids to do the ADA Ramp/Curb and Gutter project for this year: one bid from Inline Construction and the other from AHRS. The low bid came from AHRS for \$102,000. This project covers 14 ADA ramp locations, and 1070 linear feet of curb and gutter outside of the ramps locations that are being done. We budgeted \$51,000 for ADA ramps and \$50,000 for curb and gutter this year.

Recommendation: Approve the low bid from AHRS

Pages: 33-35

# 2. Replacement Sewer Pump

Included is the quote for a backup/replacement sewer pump for lift station 1 or 2. We currently have no backup pumps for either lift station, which are located on 11<sup>th</sup> Road. Both lift stations use the same size pump. The quote for the pump from Agland is \$10,844.73.

Recommendation: Approve the purchase of a backup/replacement sewer pump from Agland for \$10,844.73

Pages: 36-37

# 3. Financials/Project Costs

The General Fund is still sitting at over \$1.2 million, which is about \$200,000 over where it was in 2020 at the end of March. The Water Fund is at a little over \$700,000, which is about \$100,000 more than in 2020 at this time. The Sewer Fund is sitting at about \$250,000, which is \$100,000 below where it was at in 2020. The Sewer Fund did increase by almost \$35,000. The Sales Tax Fund has been decreased by \$770,000 due to a journal entry required by our auditor. This journal entry took into account the paying of the Swimming Pool Bonds last year. We will recoup this money from the Swimming Pool Sales Tax Fund. As for sales tax receipts, we received about \$25,000 more in the month of March in overall sales tax than we received in March of 2020, and \$30,000 more than March of 2019.
