

**SPECIAL MEETING**  
City Hall, Marysville, Kansas, January 19, 2026

Members of the Governing Body of the City of Marysville were called to order in a special meeting at 5:30 p.m., on the date and at the place listed above with Mayor Frye opening the meeting. City Administrator Haverkamp and City Clerk Ralph were also present.

Council members answering present to roll call were Snellings, Reinhart, Schrater, Throm, Beikman, and Ferris. A quorum was present. CM Keating and CM Goracke were absent.

The call, signed by six of the six council members present, read as follows:

***We, the undersigned councilmembers of the City of Marysville hereby respectfully request that you call a special council meeting of the governing body of said City to be held at 5:30 p.m. on Monday, January 19, 2026, at the City Hall for the following purpose:***

***a) Discuss the possible purchase of a pneumatic roller for street sealing.***

Street Supervisor Gary Gundelfinger reported to council that the current roller the city owns broke down last year and is made by a company that is no longer in business so parts cannot be obtained.

*CM Keating entered the council chambers at 5:33 p.m.*

SS Gundelfinger presented two 2002 Cat brand pneumatic rollers that were currently being auctioned on Purple Wave from Jefferson County, MO Public Works. He spoke with the supervisor there and they have had no issues with either roller and are selling them due to retirements and lack of knowledgeable staff to run the program. He also spoke with Josh Blumer at Truck Repair Plus and he said they could work on the engine. Foley Cat believes they will be able to get parts and work on the roller.

After council discussion of buying versus renting, availability of rollers for rent, trucking to get the roller here, and financial impacts, CM Throm moved; CM Snellings seconded to allow CA Haverkamp to bid up to \$35,000 on either roller with funding to come from the Municipal Equipment Reserve Fund. Motion carried unanimously.

At 5:55 p.m., CM Snellings moved, CM Schrater seconded to adjourn the meeting. Motion carried unanimously.
