207 South 10t Street  
Marysville Kansas 66508

Mayor and City Council

May 21, 2020

The following are the bids for the firearms that we had declared surplus at the last council meeting. Following the State of Kansas laws, we have accepted bids from only licensed firearm dealers. We solicited bids from Impulse Archery and Guns, H&E Guns, Godfrey's Guns, and Gun Busters. All have sent in bids except Impulse who declined to bid. I have attached a copy of the bids and request to take the highest bid from H&E gun in Seneca for \$3,600.00. We can use this money to upgrade oue sidearms that are seven years old.

Joe,

Here is the list of guns we are bidding out. All guns have been ran NCIC and through ATF. We are seeking one id for the lot. Bids need to be back by May 21, 5PM. If you would like a picture of any of the firearms we can accommodate. You are also welcome to set up an appointment to look at them in person.
