STORM WATER FEE
Residential Utility Accounts Inside City Limits \$10.00/mo
All other utility accounts inside city limits \$20.00/mo

2025 Bill Example (2,500 gallons)

Water usage: $25 \times 0.56 = \mathbf{14.00}$

Sewer usage: $25 \times 0.485 = \mathbf{12.13}$

Storm water fee = **10.00**

Water minimum = **22.83**

Sewer minimum = **28.20**

Total = $14.00 + 12.13 + 10.00 + 22.83 + 28.20 = 87.16$ ✓

2026 Bill Example (2,500 gallons)

Water usage: $25 \times 0.658 = 16.45$

Sewer usage: $25 \times 0.638 = 15.95$

Storm water fee = 10.00

Water minimum = 26.81

Sewer minimum = 37.09

Total = $16.45 + 15.95 + 10.00 + 26.81 + 37.09 = 106.30$ ✓

Starting January 2027, rates will rise by **3% annually** to help maintain and improve our community's water and sewer system.
