Key Principles for City Flag Design

- **Keep It Simple:** The design should be simple enough to draw from memory.
- **Meaningful Symbolism:** Colors and shapes should represent local history, industry, or geography.
- **Limited Color Palette:** Use 2-3 basic, contrasting colors (e.g., white, red, blue, yellow).
- **No Lettering or Seals:** Avoid using the city seal, logo, or writing the city name, as these clutter the design.
- **Be Distinctive:** Ensure the flag is unique and not easily confused with other flags.

No copyrighted seals or copyrighted graphics can be included in design.

Entries can be dropped off in a sealed envelope at the front office of your school, City Hall, or mailed to
